ABOUT ME

Hello!!

I am Swaraj Singh from Sambalpur, Odisha. I completed my both matriculation and intermediate from DAV Public School, MCL, Burla. Currently I am pursuing my Bachelor of Technology degree in the department of Electronics and Telecommunication Engineering from Veer Surendra Sai University of Technology Burla. I have immense interest in the fields related to technical domains. I want to join enigma so that I will be able to learn and explore new things and improve my skills and contribute too which will help me build my future career.

MY SKILLS

Presently I am in the learning stage learning basics of as many as things. I could and trying my level best in improving my skills in the best possible manner. I have basic knowledge of programming languages like C, C++, html, and css. I am learning web development and trying to improve in that domain. I have basic knowledge in graphic designing and want to improve more and more.

INTERESTS

I have a huge interest in making innovations with the help of technology. I want to learn more about programming, graphic designing, web developer development and I want to gain deeper knowledge in these fields. I also want to learn more about machine learning and Artificial intelligence. My hobbies are crafting, reading books and playing volleyball, cricket. I love to capture the beauty of nature with the help of my photography skills.

HOBBIES

M y hobbies are:-

- Scrafting
- playing volleyball
- Listening to Music
- capture the beauty of nature
- Scrolling Through Instagram
- Watching good web series and movies
